Train The Trainer with FETAC Level 6 Award. A FÁS Approved Qualification

PositiveSuccessGroup

This course provides you with an opportunity to learn the skills, attitudes and behaviours required to facilitate an Adult Education course.

As a result of successfully completing this course you will:

- Understand the relevance and importance of adult education
- Be aware of how to design and deliver an adult course effectively
- Use the systematic training approach
- Create relevant aims and objectives
- Utilise the adult learning cycle to be more effective
- Apply cutting edge models and theories to real life scenarios
- Develop an awareness of preferred learning styles
- Communicate more effectively by using various styles to cater for different preferences
- Learn to manage time in the classroom
- Evaluate various methods and styles of training and their effectiveness in different environments
- Acknowledge learning barriers and how to overcome them
- Choose the most effective training tools and mediums for your students
- Create learning aims and objectives
- Deliver feedback effectively
- Evaluate and assess your students progress
- Learn to support the learner in adult education

To support you in your learning we provide a comprehensive workbook with course content, theory, models and exercises for you to research and reflect upon. This workbook has proven to be very successful in consolidating learning and locking in key skills and behaviours with our students.

Train The Trainer with FETAC Level 6 Award. A FÁS Approved Qualification

PositiveSuccessGroup

Our Academic Excellence and Professionally Recognised Qualifications:

FETAC is the statutory awarding body for further education and training in Ireland. This course meets the requirement for a Level 6 Award. See www.fetac.ie for further information.

This course has been recognised by FÁS as an Approved Qualification.

Our trainers. All our trainers are highly experienced at facilitation and hold FÁS Approved Qualifications

The focus of this Certificate course is on offering real skills, real understanding and a real experience of developing and delivering courses in a dynamic and safe learning environment.

Entry Requirements. This course has no formal qualification entry requirements. You will be expected to be competent in reading, writing and understanding English.

Teaching methods and approach. This course is highly experiential. We believe in learning by doing and we use multiple teaching media and styles to suit all learning styles. Using a self directed learning approach and drawing on best practice models and theories related to effective learning, students will have the opportunity to develop their own skills and learn new skills necessary to provide workshops that are informative and effective

Course Delivery. This course is delivered in workshop style classes that are dynamic, informative and very well structured. In the classroom you will work alongside your peers and in groups engaging in practical and interactive exercises and discussions to enhance your learning.

Course requirements - what is expected of you.

Portfolio of Learning

Learning highlights, Action projects

Portfolio of Learning

Written Assignment

Skills Demonstration

12 minute presentation

In order to successfully complete this course you will:

Submit a portfolio of learning which will display your competence in identifying, planning, implementing and evaluating training.

It will include learning highlights, action projects and a written assignment

At the last session you are required to give a 12 minute presentation on a subject of your choice.

Note: Please commit appropriate time to complete these course requirements

Our students recommend us – this is what they say:

“Key things about this course that made it great for me – the structure was so well defined, the workbook a fantastic learning aid - and the trainer was a brilliant role model on how to do it right – professional, supportive and passionate about training. I highly recommend this course for trainers who want to do it right.”
